GREAT LAKES DIVISION

To carry out its projects and training missions, the Great Lakes Division, NSCC relies on the voluntary support of many dedicated professionals and donors.

You can take part by joining our membership and sharing in our voyages of discovery through a donation to the NOBLE ODYSSEY FOUNDATION. The mission of NOF (Noble Odyssey Foundation) is to promote knowledge of the Great Lakes through seagoing education and research.

Our member-donors participate at many different levels.

Of course, donations of any kind are always appreciated.
